why would you need yet another appliance in your kitchen your counter space is already tight right think about it though a roaster oven will cook dishes as large and tasty as many that you normally cook in your conventional oven and it will do it without heating up your kitchen to an uncomfortable temperature roaster ovens are easy to use and they can go from cooking wonderful turkeys on thanksgiving to baking steaming slow cooking and warming all types of other foods plus they are way easier to clean than a conventional oven this cookbook will show you that an electric roaster oven will give you an oven that is handy for everyday meals and at holiday times when you need to cook more than a couple dishes to be ready at the same time roaster ovens are great for making large sized casseroles or side dishes that you can take to dinner parties and other events roasters range in size from small 5 quart to large 22 quart to accommodate nearly any dish you might want to prepare some roasters have buffet pans and can be used as buffet servers stainless steel and enamel models work great and clean up fast turn the page let s test drive a roaster oven

gabe gabel has written the book she wishes she had been able to find when she started her professional career thirty years ago it is really a two part book one part concentrates on the bronze sculpture art collectors will find the step by step explanation of the casting process extremely educational artists who wish to learn more about doing a bronze sculpture will not only like that part but the complete how to do it discussion will cover everything they need to know about taking a sculpture all the way through it starts with the placement of the armature and finishes with the decision of the number of the limited edition they choose to cast the information is all there the basic tools

the different choices they have in methods and materials and why gabe prefers the ones she does there are sources and expenses and many ways to save money that she has learned over the years many options are discussed there are suggestions for solving problems that can occur and attention is paid to safety concerns that artists face that are rarely mentioned nearly any bronze sculptor is likely to learn some tips that they will appreciate no matter how experienced they are dont look for how to create your art the reader has to bring his or her own artistic ability to the sculpture table this is not the book to show you how to do a horse sculpture though the book does follow one horse original from armature to bronze this is a book to show you how to bring your own creations to casting ready sculpture but if you do want to sculpt a horse you will come out with some great ideas to make yours even better for artists who use other media there is a great deal of wonderful information on all aspects of marketing and managing your art business it is a business and gabe feels that it must be treated as such if an artist wants to make a profit and to make a living selling their work it is all there how to start and utilize a mailing list there is a discussion on show vehicles and various art displays with information on building your own show clothing and manners types of shows galleries your home office and computer look for letters to dear aunt gabby and her often rather pointed advice aunt gabby has heard it all from artists and buyers to show promoters aunt gabby is not an art critic she thinks there are enough of those but she can be highly critical of artists and their behaviors in short this is a book by an artist for artists though gabe does hope that art collectors will find it irresistible too please visit her personal web site gabegabel.com to enjoy her work in full color see her show schedule and read her newsletters she also welcomes comments through e mail at gabegabel@hotmail.com
