sport leadership and management courses within the departments of sport management health recreation business physical education and kinesiology 2026 450 pages

sport is a growing industry with enormous numbers of people now involved in the management and administration of sports fitness and exercise whether voluntary public or commercial sectors all can benefit by improving the practice and delivery of the management of sport and its organisations this text is designed to help all those delivering sport to deliver it better and includes what s different and special about sports management the voluntary sector event management and marketing marketing fundraising and sponsorship managing staff and volunteers organisational management principles legal issues including health and safety case studies both local and national full of practical examples this book reveals sports management in action showing how good management helps us to deliver better sports participation at all levels this book is a must for undergraduates as well as an invaluable tool for professionals in sport management and administration in the private public and voluntary sectors

textbook for graduate and upper undergraduate courses in organizational theory and organizational behavior as it relates to sport and sport recreation management degree programs reference for practicing sport managers around the world

contemporary sport is both a sophisticated and complex international business and a mass participatory practice run largely by volunteers and community organizations this authoritative and comprehensive introduction to the theory and practice of sports management helps to explain the modern commercial environment that shapes sport at all levels and gives clear and sensible guidance on best practice in sports management from elite sport to the local level the book is divided into three sections the first examines the global context for contemporary sports management the second explores the key functional areas of management from organization and strategy to finance and

marketing and explains how successful managerial techniques can be applied in a sporting context the final section surveys a wide range of important issues in contemporary sports management from corporate social responsibility to the use of information and communication technologies together these sections provide a complete package of theory applied practical skills and a state of the art review of modern sport business with useful features included throughout such as chapter summaries and definitions of key terms and with each chapter supported with real world data and examples this book is essential reading for all students of sport management and sport business

sport is filled with many paradoxes although fitness strength and other seemingly healthful benefits are inherently part of sport there is also the constant presence of unhealthy and inappropriate associations this dichotomy is quite prevalent in many forms in contemporary sport and sport and criminal behavior examines some of the most relevant and thought provoking occurrences of criminal and quasi criminal behavior in sport by identifying pertinent issues including motives and causes associated with such actions this work presents a comprehensive view of these issues while providing ways such matters can be effectively dealt with in contemporary society among the topics addressed in this work are drug issues violence gambling ticket scalping hazing fraud in nonprofit sport homeland security issues and disaster preparedness in sport and intellectual property trademark law copyright misappropriation and criminal implications the book is designed as an introductory textbook for college level sport management students and as such it succeeds but other readers will find it an interesting beginning treatment of a timely topic summing up recommended choice magazine
